Dasara: MCC launches 24x7 Cleaning Drive

● Focus will be on clearing construction debris ● Four places identified to dump collected waste

Mysuru, Oct. 4 (PM&BCT)- With barely three days to go for *Nada Habba* Dasara-2021, the Mysuru City Corporation (MCC) has started a round-the-clock mass drive to clear solid waste and construction debris in the city. Over 50 backhoes and 50 tractors provided by the contractors along with MCC's four backhoes and four tippers will rid the city areas of tonnes of construction debris that have been indiscriminately dumped all over.

The initiative was launched this morning by MLA L. Nagendra and Mayor Sunanda Palanetra at Doddakere Maidan where all the cleaning and debris-carrying vehicles were parked.

While the MCC carries out regular cleaning activities and also conducts special cleaning drives ahead of and after Dasara, now the focus will be on clearing construction debris.

The cleaning drive has already begun and strict timings will be followed and monitored. All the vehicles and the Pourakarmikas will be on the road in shifts from 6 am to 2 pm and from 2 pm to 9 pm. There are teams that will work from 9 pm to dawn also, MCC Health Officer Dr. D.G. Nagaraj informed.

This apart, there will be patrol teams who will identify waste dumps and alert the Pourakarmika team in that respective zone and the overall monitoring will be done by the MCC Zonal Health Officers and Assistant Engineers.

(See MCC on page 3)

Revenue Minister Ashoka leads mass *'Pinda Pradhana'* rituals

Prays for salvation of departed souls who died of COVID

Revenue Minister R. Ashoka, as directed by Vedic Scholar Dr. Bhanuprakash Sharma, performs the sacred ritual of mass 'Pinda Pradhana' at Gosai Ghat near Ganjam on the banks of Cauvery in Srirangapatna this morning. Picture right shows Minister Ashoka bathing in River Cauvery after 'Pinda Pradhana' from where he headed to Sri Ranganathaswamy Temple to offer pujas.

Srirangapatna, Oct. 4 (Vinay Karekura&BCT)- It is a tradition in South India to immerse the ashes of those who have been cremated in River Cauvery. But one of the many sad fallouts of the COVID pandemic is that the ashes of many patients who died of the virus were not claimed by relatives from crematoriums in Bengaluru out of fear and stigma.

After the ashes of nearly 1,250 COVID-19 victims were immersed in River Cauvery near Belakavadi village in Malavalli taluk of Mandya district in June this year, Revenue Minister R. Ashoka performed the sacred ritual of mass 'Pinda Pradhana' at Gosai Ghat near Ganjam on the banks of Cauvery in Srirangapatna this morning.

UGC pay scale to 22 permanent teachers

KSOU asked to maintain *status quo* as per HC order

Mysuru, Oct. 4 (BCT)- The Department of Higher Education has asked the Karnataka State Open University (KSOU) to maintain *status quo* regarding disbursing UGC pay scale and allied benefits for 22 permanent lecturers (confirmed in 2017) till the High Court decides on the issue. Any decision on salary taken by the KSOU would amount to contempt of Court, the Department has warned.

Additional Chief Secretary to the Government Kumar Naik has written to KSOU Registrar Prof. R. Rajanna on Sept. 9 and reminded the latter about several cases before the High Court over regularising the services of temporary teaching faculty and fixing them UGC pay scales.

At a meeting of KSOU Board of Management (BoM) on Aug. 17, it was decided to offer UGC pay scale to 22 permanent staff after taking an undertaking from them, subject to Court order.

The letter states that 22 staff were made permanent on Nov. 8, 2017 and they are not eligible for UGC salary and as the salary has been approved by the KSOU BoM, it has caused a loss of Rs. 4.69 crore to the State exchequer and even the Audit Committee has objected to it. As such, the KSOU has been directed to maintain the *status quo* and has been warned that any move to grant UGC pay scale would amount to contempt of Court.

"When we sought the reasons not to vacate the Court stay order, there has been no adequate reply from your end for the letters of the Government dated March 22 and July 3," the letter stated.

The KSOU BoM has extended all the benefits including Seventh Pay Commission and guideship and the same has been approved in the 54th special BoM meeting on Aug. 17 and Kumar Naik's letter has come after the benefits were extended.

EDITOR'S BOTTOMLINE

Examination pressures are exacerbating the mental health of our children. They have to learn by rote and are scared of omitting even a word of teacher-prepared answers. Above that is parental pressure: "I spent so much money on you" or "what will people say if you fail" or "I expect this from you". The burden is too much. Let us not forget that every student is a child. Some take drugs and slip into happy oblivion, creating social problems. Nobody is talking about drug usage among students. Some run away from home. Others commit suicide. Society must ensure that the next generation is a happy generation. For this, we need understanding parents. We must teach children optimism, self-discipline and the importance of healthy relationships. Let them put in their best effort, but not die for perfection. Give children playtime, fun-time and family-time. Discard the useless Standard 10 exam. Today a child stops playing from the time he/she enters Standard 9. The next four years are only study, study, study and more study. What a life!

Bluetooth-fixed flip-flops to cheat in exam

Jaipur: More than two dozen would-be teachers taking a national exam were caught cheating with Bluetooth-enabled flip flops to get an edge over the stiff competition.

Cheating has always been a big problem, especially during potentially life-changing exams. There were instances of people climbing the walls of a school building in Bihar to hand cheat sheets to the students taking their year-end exams inside a few years ago, or army applicants forced to take exams in their underwear to prevent cheating.

This year, authorities in Rajasthan went as far as cutting the internet connection in the State during the exam to prevent cheating, but they still couldn't prevent savvy cheaters from trying to get a leg up through nefarious ways. The latest method of cheating involved Bluetooth-connected flip-flops sold by criminal gangs for up to 600,000 rupees per pair.

Rug-covered Soviet-era car ever made

Moscow: There are many Soviet-era remnants scattered all over the Russian Federation, but few as blatant as this old Zighuli car covered in Persian-style rugs that recently went viral on social media.

The Zhiguli VAZ was a popular car model in Soviet Russia and exported all over the world. Outside the Soviet, it was sold under the LADA brand. It was always considered a reliable vehicle that could take some punishment and still run. It was one of the many symbols associated with the Soviet Union. Still, no model was ever as Sovietized as "Carpets", a unique VAZ 27011 with its unusual exterior – a layer of old Persian-style rugs that were once all the rage in communist countries.

Karanth Award to be presented to 'Bridgeman' Girish Bharadwaj

Girish Bharadwaj

Udupi, Oct. 4- Girish Bharadwaj, popularly known as the 'Bridgeman' of India, will be conferred Karanth Award by Dr. Shivaram Karanth Huttoora Prashasthi Prathistana (Kota).

Bharadwaj, a native of Sullia in Dakshina Kannada, is credited with building nearly 140 low-cost suspension bridges across rivers and streams for rural connectivity. He will be honoured at a ceremony to be held at Kota Shivaram Karanth Theme Park, Kota, on Oct. 10. He was honoured with *Padma Shri* in 2017.

U.S. Shenoy, a Member of the Award Committee, said Bharadwaj was selected for the prestigious award for helping people in rural areas with connectivity.

"As part of the birth anniversary programme of *Jnanpith* laureate Dr. Shivaram Karanth, various literary and cultural programmes are being organised. The Committee has been honouring achievers considering their contributions in their respective fields by conferring the award from the past 16 years. In past, writer Dr. S.L. Bhyrappa, progressive farmer Kavitha Mishra, Yakshagana artiste Chittani Ramachandra Hegde and others were honoured with the award," he said.

REALLY...?

- ***Indian Railways is one of the top employers on the planet. With a staggering 1.4 million employees, India's State-owned Railway network operates a huge, extensive network that extends across the country for hundreds of thousands of miles. Each day roughly 23 million passengers are transported on this extensive network.***
- ***India is the second-largest market of newspapers in the world — over 1,00,000 publications and 1,300 million readers.***

VOICE OF THE READER

Viveka Smaraka:

Let Truth and Justice Prevail

Sir,

This is a call to Mysureans. Beware of the consequences of this new trend of lawlessness indulged openly to divert and delay the noble service project Viveka Smaraka !

I write this letter because the general public should know the reality and facts about the proposed Viveka Smaraka as a lot of misinformation is being spread about this noble project.

I, as an elderly citizen of Mysuru, have seen it as capital city of Mysuru State, a centre of culture, with orderliness and people having very courteous and decent social behaviour.

Of course, this feature of Mysuru is fast vanishing as a thing of the past. Contrary to this, some misinformed groups of people have been protesting for quite a long time against Viveka Smaraka.

I was shocked to know about the nature of the obstacles put forth and controversies created unnecessarily and woven around such a noble **youth service project.** In spite of the fact that it is a youth service project and a national monument to be constructed in memory of the great personage Swami Vivekananda's visit to Mysuru, some disgruntled minds are creating such opposition to it.

As you all know, the writ appeal 5202/2017 was disposed and the recent writ petition 1017/2021 was also dismissed by the High Court of Karnataka, both in favour of the Viveka Smaraka. This stands as a testimony for the credibility of Sri Ramakrishna (RK) Ashram. The Court has thus trusted the philanthropic motivation behind this service project.

I am sure Mysuru would accept this legal clearance since we are a law-abiding society. Otherwise, it tantamounts to blatant disregard of law and results in socially demoralising consequences.

Should a good and great project like Viveka Smaraka be prevented by this kind of unreasonable opposition against the judgement of High Court? The present situation thus is a matter of deep social concern for all the sensitive thinkers.

Recently, there has been a new dangerous trend indulged by a few vested interests involving the caste factor and possibly with political connivance. I am painfully surprised to know that a group of agitators, who belong to a splinter group of a community, barged into the premises, gradually trespassed, occupied the 'Viveka Smaraka' area and prevented the staff of RK Ashram from entering the premises.

It is a fact that RK Ashram has been the *bona fide* owner of the premises since 2013. The Ashram is having MCC Khatha in its name and has been paying taxes regularly ever since. Nobody had protested then and all these eight years. Why now? There is a very valid document to show the history and ownership of Niranjana Mutt which clearly disproves their caste-based claims and also upholds the present status of ownership by law.

A group of people have dared to lock the Shiva temple to prevent the entry to Ashram volunteers, the watchman and also the priest from worshipping at Shiva temple.

This has continued even after submitting a written request to the District Administration. The entire issue has also been brought to the notice of the Police Department. Although the Police force has been trying to maintain peace, those agitators have been disrupting the peaceful atmosphere there.

The *status quo* imposed by the Police is continuously broken by the protestors. What should a peace-loving RK Ashram do? Is it not a stigma on the famous cultural city of ours?

May good sense prevail is my sincere aspiration and appeal.

MCC's Cleaning Drive

(Continued from page 1)

The MCC has 2,100 Pourakarmikas on its rolls and apart from them, 160 Pourakarmikas have been hired from outside just for Dasara cleaning purposes. Earlier, due to many events during Dasara, more than 300 Pourakarmikas were additionally hired but this year, there are no major events and as such, the Corporation has hired only 160 external Pourakarmikas who will join the existing group of cleaning personnel, said Dr. Nagaraj.

The focus will be on main roads, Ring Road, residential and commercial areas. All the spots where construction debris have been dumped are identified and workers have been given the location along with details.

Officers, engineers and Zonal Assistant Commissioners from all the nine MCC Zones have been directed to clean all the solid waste from spaces and roads. This will also prevent the outbreak of vector-borne diseases such as dengue in times of pandemic, Dr. Nagaraj said, thanking the MCC contractors for giving their vehicles for the cleaning drive free of cost.

"We will clean the debris and solid waste from vacant plots of land in residential areas after residents complained about unauthorised dumping of waste on private plots. The Corporation teams and private conservancy operators will clear the waste in three days and an action plan has been formed," he added.

According to MCC Deputy Commissioner (Development) Mahesh, four places have been identified to dump waste — Sathagalli Ring Road, Kesare, Sewage Farm at Vidyaranyapuram and near Vijayanagar.

Deputy Mayor Anwar Baig, MCC Commissioner G. Lakshmikantha Reddy, Corporators Pramila Bharath, M.U. Subbaiah, B.V. Manjunath, M.V. Ramprasad, Shivakumar, Srinivas, Ashwini Ananthu, Shobha, Pushpalatha Jagannath and others were present.

Mayor, Comr. briefed about

Swachh Survekshan, AMRUT scheme

Sunanda Palanetra Lakshmikantha Reddy

Mysuru, Oct. 4 (PM&BCT)- Mayor Sunanda Palanetra and Mysuru City Corporation (MCC) Commissioner G. Lakshmikantha Reddy attended a meeting organised by the Ministry of Housing & Urban Affairs (MoHUA) in New Delhi on Oct. 2 where they were briefed about the second phases of Swachh Bharat Mission-Urban (SBM-U) and Atal Mission for Rejuvenation and Urban Transformation (AMRUT).

Speaking to *Star of Mysore* this morning, the Mayor said that Prime Minister Narendra Modi addressed the meeting that was called to discuss the campaigns to be launched next and Mayors and Commissioners of all City Corporations across India were present. From Karnataka, Mayors and Commissioners of Mysuru, Shivamogga and Davanagere City Corporations were invited, she added.

According to a release from the Press Information Bureau, the MoHUA has launched the seventh edition of the sanitation survey of cities conducted by the Swachh Bharat Mission-Urban as well as a new version of the Swachhata app. Prime Minister Narendra also launched SBM-U 2.0 and Atal Mission for Rejuvenation and Urban Transformation (AMRUT) 2.0.

As part of the celebrations of 75 years of Independence next year, the sanitation survey would have the theme of "Azaadi@75" and take feedback from senior citizens regarding cleanliness in their cities.

The focus of SBM-U 2.0 in the next 5 years will be on sustaining the sanitation and solid waste management outcomes achieved and accelerate the momentum generated, thus taking Urban India to the next level of 'Swachhata'. Special focus will be put on the well-being of sanitation and informal waste workers, through provision of personal protective equipment and safety kits, linkages with Government welfare schemes along with their capacity building, the PIB release said.

The objective of AMRUT 2.0 is to provide 100 percent coverage of water supply to all households in around 4,700 ULBs, by providing 2.68 crore urban household tap connections, thereby benefiting around 10.7 crore people. Rejuvenation of water bodies and urban aquifer management will be undertaken to augment sustainable fresh water supply.

Recycling and reuse of treated wastewater is expected to cater to 20 percent of total water needs of the cities and 40 percent of industrial demand. Under the Mission, fresh water bodies will be protected from getting polluted to make natural resources sustainable, the release added.

Seva Saptah bicycle rally

Mysuru, Oct. 4 (MTY&KS)- As part of Seva Saptah to mark PM Modi's birthday, BJP Backward Classes Morcha had organised a bicycle rally in city yesterday. The rally was flagged off by Rural Development and Panchayat Raj Minister K.S. Eshwarappa near Gun House Circle in the presence of Social Welfare and Backward Classes Welfare Minister Kota Srinivas Poojari and MLA L. Nagendra. As PM Modi turned 71 this year, the rally consisting 71 bicycles passed through Ramanuja Road, M.G. Road and Sayyaji Rao Road to reach Kote Anjaneyaswamy Temple where a puja was performed. The rallyists again passed through same route and culminated at starting point.

Safai Karmachari Chairman M. Shivanna, MYLAC Chairman N.V. Phaneesh, BJP Backward Classes Morcha State President N.L. Narendra Babu, In-charge M.V. Ravishankar, Corporators B.V. Manjunath and Jagadish, BJP City President T.S. Srivatsa, Dist. President Mangala Somashekar and Dist. Backward Classes Morcha President Jogi Manju were present.

Bandipur's Rana for tiger operation in Tamil Nadu

Gundlupet, Oct. 4 (KS)- Rana, the dashing German Shepherd Dog of the Karnataka Forest Department at Bandipur Tiger Reserve has been pressed into service to track the elusive tiger that has spread terror in villages at Masinagudi bordering Mudumalai Forest in Tamil Nadu (TN).

The Tamil Nadu Forest authorities have sought the help of Bandipur's Rana and tamed elephant Srinivas of Mudumalai Tiger Reserve and have pressed both into service to track the elusive tiger which had killed four people.

As the operation to capture the tiger is underway, two-wheeler traffic to Ooty via Kallatti and Masinagudi route has been banned and the riders have to take the Gudalur route to reach Ooty.

Rana, the sniffer dog of Bandipur.

It may be recalled that in 2016, the Tamil Nadu Forest authorities had sought the help of Rana to track the tiger which has killed the watchman of a tea estate near Gudalur.

Rana had tracked the tiger which was hiding behind bushes in Tamil Nadu Forest area and had received widespread appreciation not only from the Forest Department authorities but from the public as well.

Now, Rana is helping the Forest personnel again to track the elusive tiger in TN.

Tusker pair unable to return to forest, roam on Hunsur-H.D. Kote Road

Hanagod, Oct. 4 (Mahesh&KS)- A pair of wild tuskers, that had come out of Sollepura Forest area in Veeranahosahalli Range of Nagarahole National Park and unable to return back to the forest was found roaming on Hunsur-H.D. Kote Main Road besides destroying crops yesterday.

The tusker pair, which had come out of the forest area in search of food and water, raided banana plantation, ginger and maize crops grown in Gurupura, Rajegowdanahundi, Annur and Bheemanahalli villages bordering the forest and have destroyed the crops.

The wild tuskers, which were not able to go back to the forest in the night, were found moving on roadsides and agricultural fields. Villagers of neighbouring villages, who noticed the wild tuskers informed the Forest Department officials and the villagers tried to

chase away the tuskers as if they were chasing cattle, which caused more problems.

Finally, the Forest Staff managed to drive the wild elephants back to the forest at about 8.30 yesterday night. Range Forest Officer (RFO) Naman Narayan Nayak said that the Forest officials received information about the wild elephants at about 6.30 am yesterday and the Forest staff and officials, who rushed to the spot managed to drive the elephants back to the forest with the help of villagers.

Man goes missing after leaving 'suicide' note

Mysuru, Oct. 4 (KS)- A 36-year-old man has gone missing since Sept. 29 after leaving behind a 'suicide' note. The missing man is K. Venkatesh, son of Krishnappa and a resident of Ramabainagar in city.

Venkatesh

According to the complaint lodged by Krishnappa at Mysuru South Police Station, Venkatesh, a banana trader, has left a note stating that he was committing suicide before leaving home on his TVS 50 moped.

Venkatesh is 5 ft. tall, normal built and dark complexioned. Those having any information about Venkatesh may contact Mysuru South Police Station on Ph: 0821-2444955 or call the District Police Control Room on Ph: 0821-2444800, according to Mysuru South Assistant Sub-Inspector Swamygowda.

Unidentified body found

Mysuru South Police have found a body of an unidentified man near Varuna Canal on Sept. 29, and have shifted the body to MMC&RI mortuary besides registering a case.

The deceased is aged between 35 and 40 years, well built, bald, has the name 'Madamma' tattooed on his right hand and was wearing a white coloured full arm shirt and blue shorts when found.

The kith and kin of the deceased may contact Mysuru South Police on Ph: 0821-2444955 or call the District Police Control Room on Ph: 0821-2444800.

Bullock cart race betting: Youth stabbed at Palahalli

Srirangapatna, Oct. 4 (KS)- A youth was alleged stabbed over betting on illegal bullock cart race at Palahalli in Srirangapatna taluk yesterday.

According to Dy.SP Sandesh Kumar, the youth who sustained serious stab injuries has been identified as Sachin of Palahalli, who had been admitted to K.R. Hospital in Mysuru and the accused identified as Shivu of Kamanakerehundi was also assaulted by Sachin's followers and he (Shivu) too has been admitted to K.R. Hospital.

It is alleged that a State-level Bullock Cart Race competition was organised illegally at Palahalli and the organisers had not obtained any sort of permission for the same. Contestants from Mysuru, Bengaluru, Hassan, Tumkur, Chikkamagalur and other parts of the State had arrived for the race which had attracted thousands of people.

Dy.SP Sandesh Kumar said that illegal betting was also taking place during the competition and following a issue over betting, wordy duel ensued between Sachin and Shivu which led to Shivu stabbing Sachin. A case has been registered and investigation is underway.

Hotelier, former KPHRA Secretary Nagaraj Dhanya dies in freak mishap

Bengaluru, Oct. 4- B.S. Nagaraj Dhanya (65), a hotelier and former Secretary of Karnataka Pradesh Hotel & Restaurants Association (KPHRA) and Bruhat Bangalore Hotels Association (BBHA), was killed in a freak mishap in the wee hours of today in Bengaluru. He was a bachelor and had also served as the Director of The Hotel Industrialist Co-Operative Bank, Bengaluru.

Nagaraj Dhanya

Nagaraj was on his way to his hotel at about 4.30 am on his scooter today, when he hit a tree that had fallen due to heavy rains that had lashed the city yesterday night. Nagaraj, who reportedly sustained serious injuries to his head, had lost conscious and passers by had informed his family members about the mishap using his mobile phone. He was being shifted to a nearby hospital but is said to have breathed his last midway.

Mysuru Hotel Owners Association has condoled the demise of B.S. Nagaraj Dhanya.

Obituary

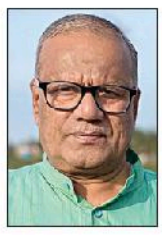
N. Kuttikrishnan Nair

Mysuru, Oct. 4- N. Kuttikrishnan Nair (87), retired Electrical Supervisor at Karnataka Electricity Board (KEB) and a resident of Gokulam, passed away this morning in city.

He leaves behind his wife, one son, one daughter and a host of relatives and friends.

Last rites were performed at Chirashanthidhama in Gokulam this afternoon, according to family sources.

M.V. Shankar



M.V. Shankar (68), Auditor, partner of Madhavan and Co. and a resident of Madhuvana Layout in Srirampura, passed away yesterday in city.

He leaves behind his wife Prabha, a retired officer from Indian Overseas Bank, two sons and a host of relatives and friends.

Last rites will be performed after the arrival of his sons from abroad, according to family sources. Family can be contacted on Mob: 99011-33877.

- Sprawling ultra-modern and green campus
- New-age ICT technology enabled teaching facilities
- Highly-qualified faculty in all the Departments
- Well-equipped Laboratories
- Library and Internet facilities
- Vast network of Regional Centres and Learner Support Centres
- High quality SLMs both in print and digital mode
- Career Counselling and Placement assistance

Enrolment Information and Procedure

1. Eligibility criteria and Fee Structure are mentioned in the Prospectus. Candidates can download the Prospectus of the respective programs from the University's website. For Admission and all other information, applicants may visit KSOU **website www.ksoumysuru.ac.in** or they may visit any of KSOU's Learner Support Centres of their choice. For Admission Counseling, applicants may contact, any of the Regional Centres/Learner Support Centres of KSOU located in their respective jurisdiction. Grievances, if any, may be sent to **E.mail: techsupport@ksouportal.com** Candidates can obtain admission through online directly from KSOU Head Office, Mysuru or from nearest Regional Centre of their choice In-Person. Visit "KSOU Online Admission Portal" to fill-up Online Admission Application Form.
   - Admission fee to be paid through online mode only.
   - Identity Cards and Self-Learning Materials can be collected by the Candidates from the Administrative Office of KSOU at Mysuru or from any of the Regional Centres of their choice.
2. Eligible SC/ST candidates may get "Fee-Exempted Admission", subject to the fee reimbursement from the Social Welfare Department by paying Admission Processing Fee, Development (Skill) Fee, Alumni Association Fee, and University's 25th Year 'Silver Jubilee Special Fee'. It is mandatory to upload the required documents in the concerned portal of the official website of the Social Welfare Department, **https://ssp.postmatric.karnataka.gov.in** and the same should be submitted to the University.
3. The details of the Learner Support Centres are available in the KSOU website.
   Students are requested to contact KSOU authorised Learner Support Centres for counseling purpose.
   - Apprenticeship and Stipend opportunities for ITI holders

KSOU REGIONAL CENTRES

1. **Mysuru (Head Quarters):** Admission Section, KSOU, Mukthagangotri, Mysuru-570006, Ph: (0) 0821-2500981, Mob: 97313 92627 / 98440 10407.
2. **Bengaluru-1 Regional Centre:** Osteen College, Sri Gowri Chambers, # 61, 5th Main Road, 5th Cross, Chamarajpet, Bengaluru-560018, Ph: (0) 080-26603664, Mob: 94486 68880.
3. **Bengaluru-2 Regional Centre:** KSOU Women RC, Govt. PU College for Girls, 4th Main, 13th Cross, Near BESCOM Office, Malleshwaram, Bengaluru-560003, Ph: 080-23448811, Mob: 98445 06629.
4. **Bengaluru-3 Regional Centre:** Adithya Educational Institutions, No.12, Kogilu Main Rd., Behind Annapurneshwari Temple, Maruthi Nagar, Yelahanka, Bengaluru-64, Mob: 98805 26439 / 90195 26439.
5. **Belgaum Regional Centre:** Angadi College of Commerce and Science, Savagaon Road, Belagavi-590009, Mob: 81233 93047.

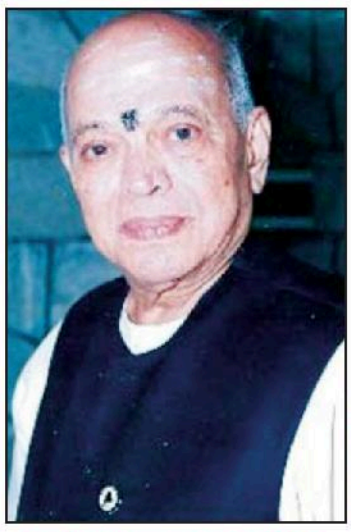
Bharatiya Vidya Bhavan, Mysuru Kendra:

Remembering Dr. Mathoor Krishnamurthy



On 25th September 2021, I had the privilege of unveiling the bust of Dr. Mathoor Krishnamurthy at the Bharatiya Vidya Bhavan's (BVB) Sports Ground named after him, at Vijayanagar I Stage. That event sent me down the memory lane of the birth and growth of BVB in Mysuru.

It was in 1989, BVB was established in Mysuru with the initiative of one Prof. V. Chandrashekar, I think, retired Principal of Manipal Engineering College and R. Vasudeva Murthy, President of the city's well-known educational institution Mahajana College, Jayalakshmipuram. Srikantadatta Narasimharaja Wadiyar, the scion of the Mysore royal family, was the Chairman of the BVB by request.

As I remember, I was one of the early members of this BVB more for sentimental reason of having studied Journalism at BVB Mumbai than for any other reason. Prof. V. Chandrashekar was the Hon. Secretary and managed the working of BVB while Vasudeva Murthy was the Vice-Chairman. It was functioning in a room given *pro bono* by Vasudeva Murthy in Mahajana School (or College) building with a telephone, a table, a few chairs and probably an almirah. Prof. Chandrashekar was the boss and soul of it conducting some short-term courses in labour, human resources etc., for some fee. The show went on without much public exposure uneventfully.

About a decade passed in this state when this dormant BVB found Mathoor Krishnamurthy, who was in BVB London for over 23 years and had joined BVB in Bangalore Centre in the year 1995.

Chance seems to play a role not only in an individual's life and career but also institution's. It was in the year 2000, Mathoorji, known for his discourses on Hindu epics, was invited by the Swamiji of Sri Ramakrishna Ashram in city to give a 'Vaachana Vyaakhyana' for five days on 'Rajasuya Yaaga' at the Ashram. He agreed. It was then he thought of rejuvenating the already existing but 'sleeping' BVB. No cultural activities. Only classes as mentioned earlier.

Serendipitous discourse of Mathoorji at the Ashram became very popular and thus Mathoorji himself was enthused to hold more such discourses. And BVB Mysuru became an ideal platform. From now on events moved fast.

When Priyamvada Birla (Badima) of the well-known Birla family visited BVB Bangalore, Mathoorji broached the subject of developing BVB Mysuru and she agreed to visit Mysuru. Many may not know that the born-again BVB Mysuru Kendra was born in Prof. A.V. Narasimha Murthy's house in Jayalakshmipuram. At that time Prof. Narasimha Murthy was the Chief Editor of BVB's Indian History volumes being translated into Kannada. He was requested to be the Chairman of BVB, Mysuru Kendra and Badima lit the lamp to inaugurate the Kendra. BVB Mysuru Kendra never looked back thereafter.

Soon a new Committee was formed and that was when I became the Vice-Chairman and later the Chairman of the Building Committee. The present Hon. Secretary P.S. Ganapathy was also taken in as Hon. Treasurer. Other influential members were also taken as Vice-Chairmen, office-bearers and Committee Members. Soon Mathoorji's programmes helped raise nearly Rs. 20 lakh and through membership and donation money flowed in. One of the Vice-Chairmen Prof. B.S. Pandit provided rooms in his Geetha Shishu Shikshana Sangha (GSSS) building in Siddartha Layout for BVB till BVB raised its own building we see in Vijayanagar today.

In the human garden, where flowers bloom, Mathoorji was also one; but one that was perfumed spreading subtle fragrance.

It was the time when Jaganmohan Palace auditorium was the centre of attraction for those who loved Mathoorji's discourse so much so Mathoorji was able to persuade many philanthropists to donate substantial amount. Mrs. Madhuri Thathachari, a resident of our city, participated in a number of cultural activities conducted by BVB and also donated a huge amount of Rs. 10 lakh in the name of her scientist-husband. Similarly, Bellur Kamalamma Subbanna and family donated Rs. 12.5 lakh. Of course, Badima donated a huge amount for the building construction.

Interestingly, the year we decided to plan and construct the building happened to be, I think, the International Women's Year. So I suggested to Mathoorji, N. Ramanuja of BVB Bangalore and other Committee Members to entrust the designing of the building to women architects. At that time, Anu and Tara used to be one and so they were given the assignment.

Mathoor Krishnamurthy was a go-getter, he was one who would stoop to conquer. At his instance, I had the rare honour of hosting Badima in my house in Kuvempunagar where she showered me and my wife with gifts and blessings. One of the reasons (a minor one) why Mathoorji treated me with high regards could be because I was a journalist owning two local popular newspapers. And Mathoorji loved publicity. That of course is a weakness of 90% of VIPs and famous people.

Surprisingly I once casually asked him to come to my village and visit my ancestral house in Kakkabe, Kodagu. He was willing. I was flummoxed. So I requested my cousin who was the Principal of the nearby Srirama School in Napoklu to arrange for a speech and let me know the date. And Mathoorji made that ardours journey in the monsoon!

I also remember one medical doctor Dr. S. Krishna Murthy of Nanjumalige, Mysuru. He and his wife would be attending Mathoorji's discourse at Jaganmohan Palace regularly with great religious fervour. Dr. Krishna Murthy would address Mathoorji as 'Swamiji' and even treated Mathoorji like one with extreme reverence.

Mathoorji had given two discourses at Jaganmohan Palace lasting 21 days each. And it was Dr. Krishna Murthy who would drop Mathoorji to the Bus Stand to catch the Bangalore bus at 10 or 10.30 in the night after the discourse! The kind of personal, physical trouble Mathoorji was taking was unimaginable. He would again come by train or bus next day to be ready at the Jaganmohan Palace for discourse. What a sacrifice for BVB. He was a true artiste who gets into ecstasy performing while making the rasikas, audience, enthralled.

Once Dr. Krishna Murthy invited Mathoorji for a *Pada-Puja* in his house. Mathoorji vehemently, adamantly refused. "I am not a Sanyasi or Swamiji," he protested. "No Swamiji," pleaded Dr. Krishna Murthy, "For me and my family you are a Swamiji." Mathoorji had to yield and of course, I was to attend this event at noon followed by sumptuous lunch.

Mathoorji was made to sit on an ornate chair, his feet were lifted by hand and placed on a silver plate and the *Pada-Puja* began — the ritual. I was made to sit opposite Mathoorji within earshot. As the 'holy feet' were anointed, washed and wiped, Mathoorji looked at me and said with a sly smile, "These are not my legs. These are not my feet" in a whispering tone. I smiled back.

In the human garden, where flowers bloom, Mathoorji was also one; but one that was perfumed spreading subtle fragrance.

Clearing way for Ambaari

Months have passed after protruding tree branches were pruned by Chamundeshwari Electricity Supply Company and the Mysuru City Corporation to facilitate the smooth movement of Ambaari double decker open rooftop bus service. The bus service that began after many delays and postponements is picking up pace now with many takers during Dasara season. As such, to prevent any obstruction during the city rounds, an Ambaari bus was taken out without passengers this morning and many tree branches were cut for the purpose. While the other three buses continued their service today, this particular Ambaari was spotted near CADA Office opposite Sanskrit Patashala along with a ladder-mounted vehicle to cut branches.

At Udyoga Mela, Minister says skill acquirement crucial for securing jobs

Mysuru, Oct.4 (RKB&DM)- Maintaining that acquisition of latest skills is the need of the hour to get jobs, Minister for Higher Education, IT and BT Dr.C.N. Ashwathnarayan said that the Government is giving a big push for ensuring that students at all levels learn the required skills for shaping their career.

He was speaking after inaugurating the day-long Job Mela and implementation of skill development programmes organised by K.R. Unit of BJP as part of 'Azaadi Ka Amrut Mahotsav' and 'Modi Yug Utsav' at the Park near Ramalingeshwara temple in Vidyaranyapuram here this morning.

Observing that the country is lagging behind western and other developed countries in terms of skills acquirement among the population, Dr. Ashwathnarayan said that while USA has 56 percent and Japan and Germany have 80 percent of skilled population, India has a skilled population of just 5 percent, which needed to be increased quickly in keeping pace with advancements in science and technology.

Maintaining that the Government has identified 150 of the over 1,200 ITIs (Industrial Training Institutes) in the State for upgradation in keeping with modern standards, he said that the Department will be funding Rs.30 crore to each of the identified ITIs, where over one lakh students will be collectively trained in skill development and enhancement.

Highlighting the measures taken by the Government for ensuring that all skilled and trained candidates get full employment, he said that the Government is working on making this initiative a cent percent success.

Lauding the efforts of MLA S.A. Ramdas in taking Government schemes and welfare measure to the doorsteps of the people, he said that the MLA very well knows what is needed for the people and as such, he has taken pains to organise this job mela, for the benefit of skilled candidates.

MLA Ramdas, in his address, said that he has organised three such Udyoga Melas post the outbreak of COVID pandemic last year, in which more than 10,000 candidates participated and around 3,000 of them succeeded in getting jobs.

Emphasising on the need for learning skills in keeping with latest advances, he said that there are 495 two-wheeler and four-wheeler repair shops in the city and he has planned to train 3 mechanics from each of these shops for upgradation of skills.

Minister Dr. Ashwathnarayan symbolically issued appointment letters to eight candidates who were selected by different companies that participated in the Job Mela.

Students from Government KPS School in Kuvempunagar presented a demonstration on basic IT developments.

More than 60 companies from different sectors took part in the Mela, which was open for candidates (both men and women) having educational qualifications ranging from SSLC to Post-Graduate degree.

KEA Chairman Hemanth Kumar Gowda, MCC Commissioner G. Lakshmikantha Reddy, District Employment Exchange Officer M.D. Rani, District Skill Development Officer Jagannath and others were present.

Minister leads mass 'Pinda Pradhana' rituals

(Continued from page 1)

'Pinda Pradhana' ritual is performed to bring salvation to departed souls and is mandatory for all Hindus and Hinduism followers. It is believed that no work can be successfully performed without the blessing of ancestors and 'Pinda Pradhana' brings the blessings of the forefathers.

By performing the rituals as per ancient texts and paying homage to the deceased ancestors, the dead soul attains *moksha* (salvation). The rituals are significant if performed during the on-going 'Pitru Paksha' and Minister Ashoka performed them on behalf of the State Government. Noted Astrologer and Vedic Scholar Dr. Bhanuprakash Sharma and a team of priests performed the rituals that comprised *Ganapathi Puja, Punyaha, Panchagavya, Kalasha Puja, Moksha Narayana Bali* and *Vishnu Pada Puja*. After the 10 'Pinda Pradhana,' the rituals of the 11th day including *Rudra Parayanam* and *Dasha Daana* were performed.

"The State Government had taken up the responsibility of ensuring dignified farewell to COVID-19 victims whose bodies were not claimed by their family members. As urns were unclaimed, we decided to conduct the last rites. Today I am here for the 'Pinda Pradhana' and this gives me immense satisfaction that I have done something good. I have prayed for the salvation of the departed souls," he said.

The State Government wants to send a message that no one is an orphan in Karnataka and the State is concerned over the deaths. "We are not insensitive and this is our way of showing respect to the departed souls. It is a sacred act. I had not desired to perform such rituals but fate has claimed so my victims and is unfortunate," he said.

After 'Pinda Pradhana', the Minister bathed in Cauvery and performed 'Pinda Tharpana' as directed by Dr. Bhanuprakash Sharma. Later, he visited Sri Ranganathaswamy Temple for pujas and only after that the Minister accepted light breakfast and food.

Principal Secretary to Chief Minister Manjunath Prasad, Mandya DC S. Aswathi, Assistant Commissioner Shivananda Murthy, Tahsildar Shwetha and many Revenue Officers were present.

Drugs-on-cruise case: SRK's son Aryan taken to Court

Mumbai, Oct. 4 (Agencies)- Aryan Khan, son of actor Shah Rukh Khan, was taken to a Court in Mumbai this afternoon, a day after he and seven others were arrested following a raid at a party on a cruise ship off the coast of Mumbai by Narcotics Control Bureau (NCB). The 23-year-old was produced in Court on Sunday evening where the anti-drugs agency was granted custody of those arrested till today. The high-profile raid yielded 13 grams of cocaine, 21 grams of charas, 22 pills of MDMA and 5 grams of MD in all, the NCB has said. Besides Aryan Khan, the anti-drugs agency arrested seven others who were detained from the ship.

Vaastu Feng Shui & Bio-Energetics

By **S.B.S. Surendra,** Accredited Master Feng Shui Consultant

Earth faults

The adverse effect of magnetic zones leading to ill health, both physical and mental, has been one of the key factors to decide on the quality of the energy in a property. There are various methods to assess and identify such defects.

A German physicist, Ernst Lecher, discovered at the beginning of the present century the principle of the resonance provoked by a loop of wiring with a sliding shunt and this device was known as the "Lecher Antenna." The Lecher antenna was produced in Germany to measure earth telluric tensions. The Antenna can determine the bad spots known as the "Hartmann's grid" and also the "Ley lines" in the earth. The antenna when tuned to specific frequency corresponding to the measurement we wish to make picks up the vibratory signals and makes the antenna either dip or fall indicating the presence of such energy fields.

This enables re-locating of furniture's, beds etc away from such danger zones in a home and ensures that the energy fields around the occupants of the home is not affected. The Lecher antenna has been a very useful and interesting piece of equipment in making us realize the quality of the place of dwelling and our immediate environment.

The antenna is used for analysing what is known as "Bio Energetic", the energy of the human body, organs, the aura of the person etc. In countries like France, there are Bio Energeticians who use the device to analyze the human body energies and advise remedies even for ailments.

In India it is catching up in the recent past and adapting this for fine tuning Vastu and Feng Shui energies is more appropriate as it counters the ill effect of bad energy absorption by the occupants. The antenna can also measure excessive energy imbalances in offices due to EMI effects of computers and high frequency electronic equipments.

When adapted for Vastu and Feng Shui corrections it enables fine tuning of the premises and gives precise scientific information on the energy levels of a plot at various points and its implications. It can also be used to locate "water bodies" and bad energy spots in a plot, position and orient rooms such that they don't fall within the "Hartmann's grid" intersection points.

The Lecher Antenna and the Loupan (the advanced Chinese compass) are two invaluable tools which helps to determine the earth faults and aid people in designing homes and offices which are more harmonious to the occupants and nature.

The focus would be to measure what is known as the Telluric field, cosmic field and the global field which correspond to the "Niruthya" (Southwest), "Eshanya" (Northeast) and the "Bramahsathana" (Centre) of the plot indicating clearly the quality of flow and blockages if any both within a home or a office premises.

To a lay man it would appear as a simple dowsing tool but with the various levels of measurements and frequency tuning the Lecher antenna can do a lot more and can be used to locate even human energy fields and that of equipments and décor in a living space. This is also known as "Bio Geometry".

The Lecher Antenna can do a lot more than merely allocating rooms and following Vastu and Feng Shui tenets in a plot or building.

The Lecher antenna and the Loupan (the advanced Chinese compass) are two invaluable tools which helps to determine the earth faults and aid people in designing homes and offices which are more harmonious to the occupants and nature.

New office-bearers of IMA, Mysuru

A group photo of the new team of IMA, Mysuru Branch.

Mysuru, Oct. 4 (MRK)- The election of new office-bearers of Indian Medical Association (IMA), Mysuru Branch, for the year 2021-22 was held on Sept. 26 at a private hotel in city. The office-bearers who were elected unanimously are as follows:

President: Dr. S. Sujatha Rao; **President - Elect:** Dr. Y.M. Shivakumar; **Vice - Presidents:** Dr. M.S. Jayanth and Dr. N. Chandrabhan Singh; **Hon. Secretary:** Dr. K.T. Chandra Shekar; **Joint Secretary:** Dr. R.D. Manjunath; **Treasurer:** Dr.K.P. Devianand and **Past President:** Dr. B.N. Anandaravi.

The 15 Executive Committee Members are: Dr. P.L. Basavanna, Dr. N. Bhaskar, Dr. T.M. Mahadevappa, Dr. L. Mahendra, Dr. P. Malegowda. Dr. G.V. Nagaraja Murthy, Dr. K.H. Prasad, Dr. P. Puttaswamy, Dr. P. Ravi, Dr. P. Sathya, Dr. Shamshad Suleman, Dr. H.B. Shashidhar, Dr. S. Shivalinga, Dr. B.N Shivashankar and Dr. R. Sudha.

The 17 State Council Members: Dr. B.R. Anand, Dr. V. Aravindappa, Dr. S.G. Ashok, Dr. Dhananjaya, Dr. M.S. Kempegowda, Dr. K.V. Lakshmidevi, Dr. B.S. Manjunath, Dr. D. Parameshwar Naik, Dr. S.B. Prakash, Dr. C. Rajan, Dr. H. Ramegowda, Dr. K. Somasundar, Dr. Suresh Rudrappa, Dr. Capt. G.S. Venkatesh, Dr. K.B. Gurumurthy, Dr. Md. Shiraz Ahmed and Dr. G.M. Vamdev.

The 9 Central Council Members are: Dr. L. Deve Gowda, Dr. H.N. Dinesh, Dr. A.H. Hareesh, Dr. S. Prasanna Shankar, Dr. B.V. Rajgopal, Dr.B.M. Mahesh, Dr. M.L. Ramachandra, Dr. M.R. Shashikumar and Dr.S.P. Yoganna, according to a press release.

About 40 BJP MLAs to join Cong., claims KPCC Working President

Satish Jarkiholi

Bengaluru, Oct.4 (KMS&DM)- Former Congress Minister and KPCC Working President Satish Jarkiholi has dropped a bombshell by claiming that about 40 MLAs from the ruling BJP are set to join the Congress.

Speaking to presspersons at his native village Karaguppi in Hukkeri taluk of Belagavi district on Sunday, Satish Jarkiholi maintained that discussions were going on in Congress in this regard.

Contending that 40 BJP MLAs, who were willing to join Congress, are in touch with KPCC President D.K. Shivakumar (DKS), Satish, however, said that he was not sure on how many of the BJP MLAs, who have expressed their desire to join the Congress, may actually join the party.

Talks on at KPCC level

Another KPCC Working President and former MP R. Dhruvanarayan too confirmed Satish Jarkiholi's claims saying that discussions were going on in the Congress on admitting BJP MLAs into the partyfold.

Dhruvanarayan told *Star of Mysore* that many MLAs from the BJP and JD(S) were willing to change sides ahead of the next Assembly polls that is due in 18 months.

Claiming that these Legislators were in touch with top Congress leaders of the State, he said that at present talks are on at the KPCC level and the matter has not yet been brought to the notice of the AICC.

Maintaining that the names and number of MLAs cannot be disclosed right now, Dhruvanarayan maintained that KPCC President Shivakumar will study the pros and cons before taking any decision on admitting them to the Congress.

DKS dares Kateel

Meanwhile, the KPCC President stated that he has never said anywhere that any BJP legislator would join the Congress. But still he cannot understand why the BJP is apprehensive of him, he said and challenged BJP State President Nalin Kumar Kateel to release the list of Congress MLAs who were willing to join the BJP.

Asserting that the Congress was not making any attempts to poach BJP legislators, Shivakumar claimed that he too was ready to disclose the list of BJP legislators who were eager to join the Congress if Kateel dared to release the list of Congress MLAs who were willing to switch over to the BJP.

TEASER

By N. Prakash

Union Minister expresses disappointment over functioning of Slum Board

Mysuru, Oct.4 (MK&DM)- Expressing disappointment over the functioning of Karnataka Slum Development Board, Union Minister of State for Social Justice and Empowerment A. Narayanaswamy stressed on the need for officials to realise their responsibilities and work hard for the welfare of common man.

He was speaking at the launch of implementation of various Government schemes and programmes organised by K.R. Unit of BJP as part of 'Modi Yug Utsav' at the park near Ramalingeshwara temple in Vidyaranyapuram here yesterday.

Regretting that there are many examples where people living in a single house for decades have not got title deeds, which is an important house ownership document, Narayanaswamy said that the Slum Board must consider this issue seriously and take measures for distributing ownership records to poor families for whom houses are built by the Government.

He pointed out that Prime Minister Narendra Modi, who has taken note of this, has launched 'Swamitwa Scheme' under which the beneficiaries of various housing schemes will get title deeds.

Lauding K.R. MLA S.A. Ramdas for taking Government schemes and programmes to the doorsteps of the people, the Union Minister noted that such door delivery of Government schemes to beneficiaries can hardly be seen elsewhere in the country.

Social Welfare and Backward Classes Welfare Minister Kota Srinivas Poojari said that the Department is working on sending a message of equality and harmony to the masses by taking the help of all religious Centres.

Asserting that funds reserved for development of SC/ST communities will not be allowed for misuse or misappropriation for any reason, Poojari maintained that all funds will be utilised for reaching the benefits to targeted beneficiaries of various Government schemes.

Stressing on the need for bringing about a transformation in the working of his Department, Poojari wanted the officials to work with determination and dedication that can result in more efficacy.

Contending that hard working officials will be rewarded with promotion, he said that officials guilty of wrongdoings will be sent out of the Department. There is no question of bowing to any pressure in this regard, the Minister cautioned.

Poojari further said that MLA Ramdas is a model for others in respect of how both Central and State Government schemes, plans, projects and programmes can be reached to even the last person in the society.

MLA S.A.Ramdas, in his address, said that measures have been taken for development of eight slums coming under his K.R. Constituency. Also, construction of a concrete road at Ashokapuram at a cost of Rs.4 crore has been taken up and programmes that benefit about six thousand people from SC/ST communities have been launched, he added.

Chitradurga's Madara Channaiah Mutt Seer Madara Channaiah Swamiji graced the occasion.

District Backward Classes Welfare Officer Bindiya, Corporator B.V. Manjunath, BJP leaders M.Vadivelu, J. Ravi, C. Eshwar, Nagaraj Billaiah, Santosh Shambhu, Shivappa, Nagaraju, Vijaya Nayaka, Muralidhar and others were present.

Situation in Punjab Cong. will stabilise: Kharge

Kalaburagi, Oct. 4 (UNI) - Opposition Leader in the Rajya Sabha Mallikarjun Kharge on Sunday said the political situation in Punjab will stabilise based on his report submitted to the Congress High Command.

"I myself have been on the panel, and for the last one month I have been working on bringing stability in Punjab's party unit. I have made a report and submitted it. I have nothing to say, but we will solve the problem. The political situation in Punjab will stabilise. There is no doubt about it," he told reporters here.

Kharge was heading the three-member negotiating group working towards a rapprochement between former Punjab Chief Minister Captain Amarinder Singh and former Minister Navjot Singh Sidhu.

Punjab Congress is in total disarray after Amarinder resigned as the CM and quit the party.

Captain Amarinder reportedly is reaching out to Congress leaders who could support him as he reportedly seeks to form a new party of his own.

He has also made it public that his top agenda would be to ensure the defeat of his *bete noire* Sidhu in the State elections.

Further speaking, Kharge lauded the Gandhis for annointing a Dalit leader Chanranjit Singh Channi as the Punjab CM.

MLA performs 'guddali puja' for road asphalting works

Mysuru, Oct. 4 (RKB&KS)- Chamaraja MLA L. Nagendra recently performed 'guddali puja' for asphalting of the 2nd Main 6th Cross Road at Tilaknagar in city.

The road asphalting is taken up at a cost of Rs. 20 lakh under the 15th Finance Commission Grant. The MLA instructed the officials concerned to maintain quality.

Corporator Rangaswamy, Chikkavenkatu, BJP leader Somashekar Raju, Mysuru Urban Development Authority (MUDA) Member K. Madesh, leaders Dinesh Gowda, Dasa, Raju, Swamy, Chethan, Raghu, Naveen, Shobha, Rajamma, Mysuru City Coporation (MCC) Engineer Rakesh and others were present during the 'guddali puja.'

WORD OF THE DAY

Hobnob

Pronunciation: HAHB-nahb.
Meaning: To come or be together as friends.
Origin: In William Shakespeare's Twelfth Night, Sir Toby Belch warned Viola (who was disguised as a man) that Sir Andrew wanted to duel. "Hob, nob is his word," said Sir Toby, using "hob, nob" to mean something like "hit or miss." Sir Toby's term is probably an alteration of "hab nab," a phrase that meant "to have or not have, however it may turn out." After Shakespeare's day, hob and nob were used in the phrases "to drink hob or nob" and "to drink hobnob," which meant "to drink alternately to each other." Since "drinking hobnob" was generally done among friends, hobnob came to refer to congenial social interaction.
Example: "Does declaring affection for Tanglewood, the iconic venue in the Berkshires, make me seem like a self-important muckety-muck eager to hobnob with elites from Boston and Manhattan? Well, so be it." — Chris Churchill, The Times-Union (Albany, New York), 25 July 2021.

THE ODD WORD

Halecret

Light half-suit of plate armour.

PHRASE OF THE DAY

A house divided against itself cannot stand

Meaning: Success comes from sticking together and to do anything else is to invoke disaster.
Origin: The origin of the phrase 'A house divided against itself cannot stand' comes from the Bible. In the King James Version, the quote is found in Matthew, 12:25: "And Jesus knew their thoughts, and said unto them, Every kingdom divided against itself is brought to desolation; and every city or house divided against itself shall not stand."
Example: "I wish Ben and Jerry would learn to get along. After all, a house divided against itself cannot stand."

QUOTE BOX

A good laugh is sunshine in the house. **—William Makepeace Thackeray**

RIDDLE THIS

Solve the rebus:

Belt
Hitting

Answer: Hitting below the belt.

CROSS WORD

ACROSS:
1 ___ Stoker : creator of Dracula, the famous vampire?
5 Units of energy or work in physics
9 Weep
12 It goes from point to point

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

NSS Foundation Day at JSS Polytechnic

Mysuru, Oct. 4- NSS Foundation Day was celebrated at JSS Polytechnic in city on Sept. 24. Dr. M.G. Suresh, NSS Co-ordinator, University of Mysore (UoM), was the chief guest.

Speaking after inauguration, he called upon students to involve themselves in NSS activities effectively for their personality development. He said the motto of NSS is not only cleansing the environment but also the different social stigma posing problem for creating a clean society. He vividly explained the concept of NSS from its inception, the path traced and the development it has made till date.

In his presidential address, G. Ramalinganagowd, Principal of JSS Polytechnic, said students should involve themselves in NSS activities and utilise it for their all-round development.

Lecturers Dr. Ningaraju, Dr. Madhusudhan and Siddaraju, NSS Volunteers from UoM, presented NSS song, folk and patriotic songs. A folk dance was presented by "AVANI" group headed by Naveen, a final year student of Mechanical Department.

B.S. Rajashekhar, Head, Department of Science, JSS Polytechnic, NSS Programme Coordinator K.B. Chandrashekhara Murthy, Co-coordinator S. Shruthi, NSS Volunteers and Polytechnic staff were present.
